

Training

We specialize in the breeding, raising, and training of show and pleasure American Saddlebreds, Morgans, and ponies. Our trainer, Karin F Smith's expertise is in starting young horses, with the end result winding up in the winner's circle.

Lessons/Camps

You are never too young and never too old to start learning how to ride Saddle Seat. Our lesson program is designed to meet the needs of riders interested in entering the show ring as well as those just interested in riding their horse on the trails at home.

Day and Overnight camps are held during the summer months. Contact us for more information on our camps or lesson program.

Breeding

Windy Hill Farm features an excellent broodmare facility and a barn lab that arranges transported semen.

Contact us for more information on our breeding program.

Welcome to Windy Hill Farm!

Windy Hill Farm is situated on over 300 acres nestled in the beautiful rolling Virginia Blue Ridge Mountains, and conveniently located 45 minutes from the Virginia Horse Center. The farm is a full-scale operation—breeding, raising and training one of the oldest American breeds of horse—the American Saddlebred.
